Situated on the bank of River Ganga, Varanasi is the oldest living city & considered as the holiest sacred place on this planet. Mark Twain once said, "Varanasi is older than history, older than tradition, older even than legend & looks twice as old as all of them put together." It is also an important industrial center, famous for its carpet, silk fabrics, perfumes, ivory works & sculptures.

It played a stellar role in the independence movement & has developed into the greatest center of learning. It has produced many great freedom fighter, renowned scholars, artists, scientists & technologist contributing immensely in progress of modern india. We also proud to be associated with six Bharat Ratna Award.

SARNATH

Sarnath is a city located 13 kilometres north-east of Varanasi near the confluence of the Ganges and the Varuna rivers in Uttar Pradesh, India. The deer park in Sarnath is where Gautama Buddha first taught the Dharma, and where the Buddhist Sangha came into existence through the enlightenment of Kondanna. Singhpur, a village approximately one km away from the site, was the birthplace of Shreyansanath, the Eleventh Tirthankara of Jainism, and a temple dedicated to him, is an important pilgrimage site.

KASHI VISHWANATH TEMPLE

Kashi Vishwanath Temple is one of the most famous Hindu temples and is dedicated to Lord Shiva. It is located in Varanasi, Uttar Pradesh, India. The temple stands on the western bank of the holy river Ganga, and is one of the twelve Jyotirlingas, the holiest of Shiva temples. The main deity is known by the name Vishvanatha or Vishveshvara meaning Ruler of The Universe. The Varanasi city is also called Kashi, and hence the temple is popularly called Kashi Vishwanath Temple.
